Mill Creek (Woodbine, MD)

DDC inc. served as civil engineer, surveyor & landscape architect for this 17 unit single family development in rural Howard County. The project is located on Annapolis Rock Road, just east of the intersection of Annapolis Rock Road and Maryland Route 94, adjacent to Patuxent River State Park.

DDC, Inc. prepared subdivision and public road and utility drawings for the subdivision which will also include a forest conservation bank and several rural preservation parcels. The subdivision was recorded in the fall of 2010.
